This reading gives us a clear picture of who we are as Christians and what is expected of us.

When Jesus tells us, "I am the vine, you are the branches," he offers us a strong metaphor regarding our relationship to him. Indeed, we will know how strong that relationship is by the fruit we bear. And what fruit do we look for in a Christian's life? Certainly not the same rewards and benefits offered in the secular world.

We don't count money, possessions or position as fruit on Jesus' vine.

The blossoms and fruit on Jesus' vine reflect the life force that feeds it.

The product of Jesus' vine is the reproduction of his life-giving love in kind acts, healing actions and our own loving relationships.

This is an important message to hand on to our children. Christians have a different gauge to judge success. It is not how much we have that marks us as a winner; it is how much we love.

We are the branches and Jesus is the vine, and as long as we stay connected to Jesus, his courage, his strength, his love will flow through us. Like all healthy fruit, our actions and relationships will bear their own seeds and new vines will grow and the branches will multiply.

Jesus wants us to know that he is our life force, and with him we are strong enough to overcome anything and accomplish everything.

*The Holy Spirit Parish pays respect to the Darug People,
the traditional custodians of the land on which we gather to celebrate our faith and worship God.
We acknowledge with respect the elders past and present.*

We are a welcoming parish. Whatever your present status in the Catholic Church, whatever your current family or marital situation, whatever your past or present religious affiliation, whatever your personal history, age, background, race or color, sexual orientation, whatever your self-esteem... you are invited, welcomed, accepted, loved and respected by the Catholic Community of Holy Spirit.

If you are not an active member of this Community, consider sharing in what we have to offer. We serve the Community through outreach, education, social activities, sacramental preparation, youth and comfort to the sick and mourning. In addition to our spiritual and outreach organisations, perhaps you have an interest in joining one of our many liturgical ministries as: Minister of Holy Communion, Lector, Welcomer, Choir, etc.

Persons are formally registered by filling out a form that is then entered into the parish data system (information supplied remains confidential). These forms are available from the parish office or in the church foyer.

MISSION STATEMENT

The Mission of the People of God at Holy Spirit Parish is to witness to and to proclaim the word of God, and to pray and celebrate the Liturgy in word and sacraments so that we may be of service to others and form a community of "one mind and one heart on the way to God." (St Augustine)

FROM POPE FRANCIS:

"Although the life of a person is in a land full of thorns and weeds, there is always a space in which the good seed can grow. You have to trust in God."

LIVE THE LITURGY Inspiration for the Week

Anyone familiar with gardening knows that proper and timely pruning is essential. The health of the plant depends upon it. An unpruned tree can quickly produce suckers that zap many of the essential nutrients from its body. Pruning requires patience and vision. Studies reveal that plants often respond defensively to being pruned, displaying reactions that are similar to hurt or discomfort. Pruning is not easy but necessary. A hard lesson for us to learn is that we also need to be pruned. We become far healthier when we allow God to stretch, refine, and form us into the best version of ourselves. The fruit that then comes from our vines will be more abundant, nutritious, and robust. Left to our own devices we can easily find ourselves running amuck and spiraling out of control. Without a proper vision and trust in the Master Pruner, we will never find the contentment we desperately desire. Nor will the work of the Gospel stand a chance of succeeding.

QUESTIONS OF THE WEEK

First Reading: Luke tells us how the conversion of Saul (Paul) and the acceptance by the disciples of him helped facilitate peace in the Church throughout Judea, Galilee, and Samaria. What do you think is needed to bring about peace in our Church today?

Second Reading: John teaches his community that believing in Jesus and loving one another is the heart of God's commandment. How would you assess yourself in following this two-fold command?

Gospel: Using the metaphor of a vine and branches, Jesus urges his disciples to "remain in me" in order to bear good fruit and thereby glorify God. What would be some examples of "good fruit" that you have produced?

WEEKLY JUSTICE CHALLENGES

On May 1st we honor St. Joseph as the patron saint of workers. Did you know that May 1 is also Holocaust Remembrance Day? That might sound grim; after all, who wants to remember something so unspeakably evil? But the maxim that those who don't learn from history are doomed to repeat it has been proven true time and time again in human history. Remembering the holocaust is one way to ensure that we never again experience a similar event. Your challenge this week is to reflect on the holocaust which took place in Hitler's Germany. Discuss as a household what you know about it.

Research why it happened, and how Hitler got so many people caught up in trying to exterminate an entire race of people. Then ask yourself what little steps of prejudice and hatred led up to the big "Final Solution" of seeking extinction for the entire Jewish people. Commit yourself and your family to confronting one of the little steps towards racism or prejudice wherever you see it. This might be as simple as standing up to people who make jokes at the expense of a particular group of people; it could mean advocating to oppose regimes across the world which engage in genocide. Whatever you decide to do, hold all of the victims of the holocaust in your heart as you work to make sure that history does not repeat itself. Help insure that the victims did not die in vain.

PARISH NEWS AND EVENTS

WHO'S WHO IN THE PARISH

Each week we will feature a parishioner. Our hope is that in the end we come to know and strengthen our friendship among each other.

Hi, my name is Elisa Reynolds and I am the Parish Secretary. Yes, I work for you and I am love doing it. It is a great way to do something valuable in Our Lord's field.

I was born in Chile, South America, in a city with the biggest snowy mountains, hmmm... it was very cold over there. I moved to live in Australia on the 2nd of June 1987.

I have never been back to my country for two reasons: I am a person who look forward.... I don't look back... I don't cry for what I lost but instead I get ready for what God has for me after that. He always has something good for each one of us and my heart fills up with faith, love and happiness with what he gives me. The other reason is that I love Australia and I always have many good things to do in here. I have my family here, husband, kids and grandkids, and they are the best gifts I could ever receive.

My life was never easy in the beginning. However, I know for sure that God was always looking after me, as before knowing Him and making Jesus the centre in my life I had a very dangerous and revolutionary youth and I didn't know that God was real. I am eternally thankful that He showed in my spiritual life as now my heart is rich with his presence.

I don't live in this area. That's the reason why you haven't seen me here on Sundays. But I am in the parish office whenever you need me to help you or guide you in anything. Come and see me. 🌸❤️

ON A LIGHTER NOTE

WHY DO WE DO THAT? Catholic Life Explained:

Question:

Is gossip a mortal sin?

Answer:

To really ask this question, we must consider the Eighth Commandment: "You shall not bear false witness."

In its reflections on this commandment, The Catechism of the Catholic Church invites us to not only think about what bearing "false witness" means, but to also consider how we understand the truth and how we communicate more broadly. This is why so much of this section of the Catechism has to do with the gift of language. With this in mind, we will notice that the word "gossip" isn't used by the Catechism. Instead, we find the words "detraction" and "calumny," which are actually two forms that gossip can take, and both can be quite serious.

First, detraction is the of revealing "another's faults and failings to persons who did not know them," without morally valid reasons. Calumny, by extension, is saying something about another person that is untrue, and it is sinful because it "harms the reputation of others and gives occasion for false judgements" (see no. 2477).

In all of our communication, we have to always recognize that we have a moral obligation to the truth and to always work to protect the reputation and honor of our neighbors (see no. 2479).

Gossip can, in fact, prove to be a very serious sin. After all, the Catechism reminds us: "No one is bound to reveal the truth to someone who does not have the right to know it" (no. 2489). When we have gossiped, especially if we are aware we have damaged another person's good name or reputation, we want to make every effort to undo the damage we have done, including seeking the grace and forgiveness offered in the Sacrament of Reconciliation.
