VOICE FROM THE PEWS

My generation worries, as did generations before, about how quickly the world is changing. We've watched technological development escalate. We see the global scope of poverty and the rising horrors of terrorism and genocide. We live in an age of constant alteration and altercation, and we are worried.

Parents today are responsible for preparing children for a future none of us can even imagine. We have no idea what questions or decisions today's children will face. Yet somehow, in the few precious years from infancy to adulthood, parents must equip their youngsters with the tools that will help them not only survive, but also do well, while revitalizing the world they inherit.

Certainly one of the key factors in facing the uncertainties of the future is belief in a greater reality, and hope in a higher power.

So much is possible and bearable when you believe in a loving God who promises not only to be *with* you but also *in* you. So much is possible and bearable when you know you are a part of something that is true and good, bigger and stronger than our chaotic world. So much is possible and bearable when you know you are not alone and can count on the support of others who will be there for you and with you. These are important truths in an uncertain world—important for grown-ups, too.

FAMILY RESPONSE:

Ask each person to share the best thing that happened to him or her this week. What was most difficult?

PERSONAL RESPONSE:

What are your hopes and concerns for the year ahead? What were the highlights from last year?

*The Holy Spirit Parish pays respect to the Darug People,
the traditional custodians of the land on which we gather to celebrate our faith and worship God.
We acknowledge with respect the elders past and present.*

We are a welcoming parish. Whatever your present status in the Catholic Church, whatever your current family or marital situation, whatever your past or present religious affiliation, whatever your personal history, age, background, race or color, sexual orientation, whatever your self-esteem... you are invited, welcomed, accepted, loved and respected by the Catholic Community of Holy Spirit.

If you are not an active member of this Community, consider sharing in what we have to offer. We serve the Community through outreach, education, social activities, sacramental preparation, youth and comfort to the sick and mourning. In addition to our spiritual and outreach organisations, perhaps you have an interest in joining one of our many liturgical ministries as: Minister of Holy Communion, Lector, Welcomer, Choir, etc.

Persons are formally registered by filling out a form that is then entered into the parish data system (information supplied remains confidential). These forms are available from the parish office or in the church foyer.

MISSION STATEMENT

The Mission of the People of God at Holy Spirit Parish is to witness to and to proclaim the word of God, and to pray and celebrate the Liturgy in word and sacraments so that we may be of service to others and form a community of "one mind and one heart on the way to God." (St Augustine)

FROM POPE FRANCIS:

*"Help One Another
This is what Jesus teaches us.
This is what I do.
And I do it with my heart."*

LIVE THE LITURGY Inspiration for the Week

Any human success requires vigilance. Opportunities and powerful moments of encounter can easily be missed when we are not attentive. It is all too easy today to live distracted and preoccupied lives. There is so much vying for our attention that it can be hard to be selective and really focus. Caught up in this whirlwind of busyness and anxiety, we become tired and almost sleepwalk through life. Advent is a time to selectively focus. These beautiful four short weeks are a time to look backward and forward and be attentive to the human journey and God's revelation. From the beginning of time, God has been seeking our attention. He constantly reminds us of the justice he desires to bring and the promise of his abiding unconditional love. Understanding and growing in these truths requires alertness so that we can be strengthened in our faith and prepared for whatever will come.

FIRST READING: The prophet Jeremiah speaks of God's promise to fulfill the covenant made with King David, four hundred years earlier in 1000 B.C. As we enter into the season of Advent, how might you show your fidelity to God?

SECOND READING: Paul's prayer for the believers in Thessalonica is to abound in love and strength for one another in preparation for the return of Christ. How do you think communities of faith can support each other during the Advent season?

GOSPEL READING: In Jesus teaching the disciples about the coming end times and judgement day, he warns them not to be too distracted by the stresses and anxieties of daily life. How do you keep focused on your spiritual life amongst the many daily challenges we face?

WEEKLY JUSTICE CHALLENGES

This week marks the beginning of Advent. We are challenged by the Scriptures to be alert and vigilant, and to recognize that the Messiah the Jews prayed for would bring justice to our world. The first reading describes Jerusalem in the era of the Messiah as "The Lord Our Justice." Your challenge this week is to reflect on how you have helped bring more justice into the world, and to pay attention (being very vigilant) to an injustice that exists in your local community. Then decide as a household one specific step you can take to end the injustice and uphold the human rights of all.

COMMENCING 8 NOVEMBER**

With the announcement of the easing of restrictions commencing Monday 8th November 2021, when NSW hits the 90% full vaccination target, we will observe the 2 sqm rule indoor and outdoor. Hence, we are allowed to have 300 people in the church at any one time, excluding the clergy and those involved in the liturgy. There is no need to book.

Places of worship is open to all regardless of vaccination status.

The wearing of face masks indoors is MANDATORY. Children under 12 are exempt but are encouraged to wear masks where practicable.

CONTACT TRACING:

Because NSW Government still requires contact tracing, there are two ways to do this:

1. Sign-in using the QR Code displayed in the foyer
2. Mass Attendance cards MUST be completed by each household per mass. Cards are available in the foyer.

Please be mindful of the following:

- Congregational singing is still NOT permitted. Choirs of up to 10 people can perform but all performers must be vaccinated.
- Funerals and weddings permitted with no person limit

Catholics from Parramatta Diocese are still dispensed from their Sunday Mass obligation until further notice.

With Christmas fast approaching, we are once again reaching out to you to help our families in St Clair, Colyton and Erskine Park.

We are aware of the challenges posed by Covid-19, so this year there will be no gift tags or food lists placed at the back of the church. If you would still like to assist, then a gift card or gifts would be welcome.

There will be a marked box for the gift cards in the foyer or you could drop it off at the parish office.

Gifts, if given, should be wrapped and labelled with the child's age and sex. However, we prefer gift cards.

Thank you for your continuous generosity to our parish community.

AUGUSTINIAN SPIRITUALITY

“Now (Advent) is the time of mercy, a time for us to correct ourselves. The time for judgment has not yet come. There is no need to despair. Because of our human, pardonable and more trivial sins, God has established in the Church set times for requesting mercy. We have a daily medicine in our saying ‘Forgive us our sins as we forgive those who sin against us’, so that we may share in the Body and Blood of Christ.”

St Augustine of Hippo, Sermon 17,5

**WHY DO WE DO THAT?
Catholic Life Explained:**

Question:

How are the feasts of the baptism of Jesus and the account of the wedding feast of Cana related to the Epiphany celebration?

Answer:

The Epiphany season focuses on revealing Jesus to the world. Following the Christmas celebration, the liturgical year lays out a series of manifestation points in which Jesus is made publicly known. From its very beginning, the Christian community highlighted three events in the life of Jesus. These are the Epiphany, the Baptism of the Lord and the wedding feast at Cana.

The Epiphany discloses Jesus to the world of the Gentiles, represented by the magi from the East. The accounts of Jesus’ baptism reveal his identity and mission, along with exposing him to those to whom he was sent to minister. The miracle of turning water to wine at the wedding feast of Cana, unique to John’s Gospel, is the first public sign that Jesus performs, thus manifesting his public identity and his powers.

Today in the Roman Church, these are usually celebrated on three successive Sundays: Epiphany, the Baptism of the Lord which is usually the next Sunday, and the wedding feast of Cana, which is proclaimed on the 2nd Sunday of Ordinary Time in lectionary year C.

These feasts connect around the concept of epiphany, public manifestation of Jesus to the world. They help us get to know more intimately who Jesus is and what he is about. Spend some time delving more deeply into your understanding of who Jesus is. Continue to cultivate these “epiphany” moments in your life. ©LPi

CREATION CARE TIPS

“There will be signs in the sun, the moon, and the stars, and on the earth distress among nations confused by the roaring of the sea and the waves. People will faint from fear and foreboding of what is coming upon the world...” —Luke 21:25-26

When we hear news these days of terrible natural disasters — floods, hurricanes, droughts, wildfires, etc.—it is easy to feel fearful and worried about the future of our world. Sometimes our fear can paralyze us. When that happens, it can help to do something, anything, to combat the changes happening in our climate. Rather than feel powerless, decide on at least one thing you can do to be a better steward of creation, whether it’s eating less meat, reducing your car trips, touring a recycling plant, starting a compost bin, or *anything* else you can think of that reduces your environmental impact.
