Like Peter, James and John, we, too, sometimes have mountaintop experiences. It is easy to pray at those times—to praise God or just sit in quiet meditation. In those brief, personal encounters with the divine, our prayers can become deeply private and powerful. However, as this Scripture reminds us, we can't stay on the mountain.

More common are our valley experiences with prayer: times when we are plugged into every distraction around us, and God feels an eternity away. Spiritual masters tell us that those prayers that seem empty and monotonous can be even more valuable than a mountaintop experience.

Those same masters remind us that while alone time with God is valuable, often Christians pray best together. Christians are not theists who believe in a totally personal, one-on-one relationship with God. We are a covenant people who believe that

together we are the body of Christ. We believe in the Incarnation—God is with us and in us. We don't have to go to mountaintops or valleys to encounter God, because we find God all around us in everyone we meet.

We find God in other people, in our parish church and in our homes. This is why communal and family prayer is so important. Every Sunday, we gather to pray together with our parish family. And so it should be with our immediate family. Choose a prayer space in your home, and gather on a regular basis. You may be surprised to find how this not-so-quiet family time can provide transfiguring moments when a kitchen or living room can seem like a mountaintop.

### PERSONAL RESPONSE:

Are you comfortable praying with others?  
With whom do you pray? How often?

*The Holy Spirit Parish pays respect to the Darug People,  
the traditional custodians of the land on which we gather to celebrate our faith and worship God.  
We acknowledge with respect the elders past and present.*

We are a welcoming parish. Whatever your present status in the Catholic Church, whatever your current family or marital situation, whatever your past or present religious affiliation, whatever your personal history, age, background, race or color, sexual orientation, whatever your self-esteem... you are invited, welcomed, accepted, loved and respected by the Catholic Community of Holy Spirit.

If you are not an active member of this Community, consider sharing in what we have to offer. We serve the Community through outreach, education, social activities, sacramental preparation, youth and comfort to the sick and mourning. In addition to our spiritual and outreach organisations, perhaps you have an interest in joining one of our many liturgical ministries as: Minister of Holy Communion, Lector, Welcomer, Choir, etc.

Persons are formally registered by filling out a form that is then entered into the parish data system (information supplied remains confidential). These forms are available from the parish office or in the church foyer.

LIVE THE LITURGY Inspiration for the Week

While we have to be cognizant of our societal and personal responsibilities in this world, we can never lose sight of where our true citizenship lies — heaven. When we become too immersed in earthly things and too preoccupied with our temporal responsibilities, we can actually become numb to our faith. Becoming ambivalent about our faith, our belief in Jesus Christ and the promises of heaven become more a source of agitation rather than a source of promise and hope. It is easy to become an enemy of Christ without even knowing it is happening. God has given us a very clear destiny. We are definitely not meant to conform ourselves to this world but to the transfiguration and glorification of our bodies to come. It is here where we can see clearly not only who God is but who we are. The way many conduct the daily business of their lives suggests that such a promise or hope is of little importance. What does the way you live your daily life say about you?

**QUESTIONS OF THE WEEK**

**First Reading:** In the covenant established between God and Abram (Abraham), the trust and faith of Abraham is described as “an act of righteousness.” As we continue the season of Lent, what do you need to trust in from the Lord?

**Second Reading:** Paul urges the believers in Philippi to stay focused on Jesus and on our “citizenship” in heaven. How do you think Christians today can succeed in living out this task?

**Gospel Reading:** Peter, John, and James witness the transfiguration that revealed Jesus’ divinity. Why do you think the three apostles “fell silent” from this encounter?

Parents wishing to have their child baptized are asked to contact the Parish Office prior to attending a preparation evening. Next Baptism Preparation session is on Tue 8 March, 7pm, at the church. Presenter is Joyce McMahon.

**BAPTISM**

If you wish to book a baptism, visit our parish website:  
<https://holyspiritstclair.com.au/sacraments/#baptism>

Baptisms at Holy Spirit are on every Saturday at 11.30am (no Baptisms during Lent). We only limit up to four (4) children for baptism per weekend.

Luke’s Gospel retells the story of the Transfiguration of Jesus. God tells the apostles to listen to his beloved son, Jesus. We too are called to listen to him, and to follow him as missionary disciples. Your challenge this week is to listen to Jesus’ call to be people of justice and service. How can you live out Jesus’ teaching that what we do for the least of our brothers and sisters, we do for him? Who needs love and support in your life?

What is an SRE?

SREs are parish volunteers who:

1. Teach and share their faith with children of their parish who attend government schools.
2. Have a passion for sharing the gift of faith with young people.
3. Have an hour per week to prepare and share their time and talents with young people

In this parish Special Religious Educators, SREs, (previously known as Catechists) go into the state primary schools in St Clair and Erskine Park. New volunteer SREs will be given support, training, teaching materials and will start as a classroom helper.

**WHY DO WE DO THAT?  
Catholic Life Explained**

**Question:**

Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

**Answer:**

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled. Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

**CREATION CARE TIPS**

Besides perhaps fasting from sweets, caffeine, or alcohol during Lent and being more conscious of those who are hungry some or most days, this is the perfect time to be more intentional about cutting food waste. Almost 30-50% of food produced globally is wasted. With food waste comes the waste of water, energy, and land. Are you served too much food at a restaurant? Be sure to bring it home and enjoy it again the next day. Only buy large quantities of an item if you know you can finish it before it goes bad. If you have too many leftovers for yourself or your family, bring some to a neighbour who might welcome the gift. If you have extra produce from your garden or fruit trees, donate it to a local food bank or look for a gleaning group that will pick the excess and donate it for you.
