**VOICE FROM THE PEWS**

We are a Pentecost people. Like the first disciples, we are gifted with the Holy Spirit so that we can share our faith with others. This is not always easy. Many of us were raised to believe that religion is a private matter. It can be difficult for us to talk about God or our faith. And yet, faith sharing, especially in families, is crucial.

We live in a culture that in many ways no longer supports Judeo-Christian values. More than ever, young people need to hear and see the people most important to them talking about and living the gospel message. If faith is going to be real in their lives, they need to see that faith is a reality in the lives of those closest to them.

Pentecost is the day the disciples were empowered by the Holy Spirit to leave the safe closure of the Upper Room, and share their faith with a city of strangers. Why not take the risk this

week and share your faith with those closest to you?

**FAMILY RESPONSE:**

Read or retell the story of Pentecost to your family. Talk about how you would have felt if you were in the Upper Room, and invite other family members to do the same. Discuss the Holy Spirit in your life. How have you experienced the gifts of courage and understanding? When have you felt the Spirit's fruits of joy and peace?

**PERSONAL RESPONSE:**

In the separate piece of paper write down why God and your faith are important to you. Record or comment on what other family members have said.

*The Holy Spirit Parish pays respect to the Darug People,  
the traditional custodians of the land on which we gather to celebrate our faith and worship God.  
We acknowledge with respect the elders past and present.*

We are a welcoming parish. Whatever your present status in the Catholic Church, whatever your current family or marital situation, whatever your past or present religious affiliation, whatever your personal history, age, background, race or color, sexual orientation, whatever your self-esteem... you are invited, welcomed, accepted, loved and respected by the Catholic Community of Holy Spirit.

If you are not an active member of this Community, consider sharing in what we have to offer. We serve the Community through outreach, education, social activities, sacramental preparation, youth and comfort to the sick and mourning. In addition to our spiritual and outreach organisations, perhaps you have an interest in joining one of our many liturgical ministries as: Minister of Holy Communion, Lector, Welcomer, Choir, etc.

Persons are formally registered by filling out a form that is then entered into the parish data system (information supplied remains confidential). These forms are available from the parish office or in the church foyer.

**MISSION STATEMENT**

The Mission of the People of God at Holy Spirit Parish is to witness to and to proclaim the word of God, and to pray and celebrate the Liturgy in word and sacraments so that we may be of service to others and form a community of "one mind and one heart on the way to God." (St Augustine)

**FROM POPE FRANCIS:**

*"Technological society has succeeded in multiplying occasions of pleasure yet has found it very difficult to engender joy."*

LIVE THE LITURGY Inspiration for the Week

St. Josemaria Escriva tell us, "To live according to the Holy Spirit means to live by faith and hope and charity. To allow God to take possession of our lives and to change our hearts, to make us resemble him more and more." Today we celebrate the gift of the Holy Spirit given freely by God to us. The Holy Spirit is the very breath of God and the true source of our power and strength. When we accept that God is the beginning and the end of all things, we open ourselves to receiving this powerful presence. The Holy Spirit alone is the one who teaches us how to pray, who stirs us to lift our eyes to heaven in search of our Creator and opens them to recognize the wonderful gifts of faith, hope, and love God gives us. The Holy Spirit is the one who teaches us how to understand ourselves, God, others, and the world. When we allow God's Own breath to truly take possession of us, we realize that we are meant to become like God and know Him as He really is. This ultimate helper lifts our eyes from what is below to what is above and empowers us to live life with joy and keener vision!

QUESTIONS OF THE WEEK

**First Reading:** On Pentecost Sunday, the Holy Spirit descended upon the apostles and gave them the gift of speaking in multiple languages of the mighty acts of God accomplished in Jesus Christ. What gifts of the Spirit might you pray for today?

**Second Reading:** Paul speaks of believers in Christ as having the "Spirit of God" dwelling within them. How do you experience the presence of the Holy Spirit in your life?

**Gospel Reading:** The resurrected Jesus breathed on the disciples and gave the Holy Spirit to them to forgive or retain sins. How often do you partake in the sacrament of reconciliation?

WEEKLY JUSTICE CHALLENGES

The spirit of Pentecost celebrates the power of forgiveness. The Scriptures say that Jesus breathed on the apostles and gave them the power to forgive and to bind. God wants no one to be bound by sin, and extends forgiveness to all who are sorry and seek God's forgiveness. But forgiving others is really hard when we are the victim of injustice. The challenge this week is to forgive so that you and your enemy will not be bound by sin. Forgiveness is a power of the Spirit, not a human power. If you find it hard to forgive, go deeper by doing what Jesus taught: pray goodness upon your enemy and do good for him/her.

**AUGUSTINIAN SPIRITUALITY**

*“Some people, in order to discover God, read books.  
But there is a great book:  
the very appearance of created things.  
Look above you! Look below you! Read it.”*

St Augustine of Hippo

**WHY DO WE DO THAT?  
Catholic Life Explained**

**Question:**

Is the Catholic Mass really celebrated the same throughout the whole world?

**Answer:**

One of the truisms of the Catholic Faith is that “wherever you go in the world, the Mass is the same.” In fact, the answer to this question is both “yes” and “no.” On the one hand, the essential elements of the Roman Rite are the same. The structure of the Mass as it is presented in the Roman Missal is consistent and this is one of the beauties of belonging to a liturgical tradition.

On the other hand, however, there are elements of celebrations that can vary depending on the country or even local region you might be in. For example, in certain parts of the world, certain feasts and solemnities are celebrated on different days (even here in the United States the Solemnity of the Ascension of the Lord can be celebrated on Thursday of the Sixth Week of Easter or it may take the place of the Seventh Sunday of Easter, depending on what diocese you are in). Whether it is the use of certain liturgical colours, local celebrations of regional saints, special seasonal blessings of crops or produce, or the use of dance and processions all demonstrate a sort of organic variety that can exist even within our established liturgical tradition. While we always respect what is essential to the rite, such local variations and traditions are very much in keeping with the vision of liturgical renewal and adaption envisioned by the Second Vatican Council’s Constitution on the Sacred Liturgy (nos. 37-40).

**CREATION CARE TIPS**

*“When you send forth your spirit, they are created; and you renew the face of the ground.*

—Psalms 104:30

Take some deep breaths of fresh air on this day of Pentecost. This simple gesture has a great significance in our Christian tradition. Indeed, rhythmic breathing leads to deeper meditation, the grace of feeling God’s presence. Sadly, one child in five suffers from asthma which can be caused or exacerbated by poor air quality in our cities, heavy pesticide use in agricultural areas, coal burning plants, and wildfires. Elderly people are also more at risk for lung trouble when the air quality is poor too. Be thoughtful when the forecast calls for smog: avoid using your car if possible to reduce emissions especially on those days when the air quality is poor.
