### FROM FR DAVID...

#### 'Living Synodality' – Invitation to Journeying Together!

This weekend, Holy Spirit Parish St Clair hosts the final Deanery Consultation in preparation for the Diocesan Synod in October. Representatives of the 12 Western Deanery parishes gather with Bishop Vincent and the Mission Enhancement Team to share hopes, dreams, insights, personal and communal experiences, frustrations and challenges.

Some will be familiar with an insight from St Augustine - **Ecclesia semper reformanda est**, describing how, 'the Church is always in need of reform'. To be faithful to Jesus and alert to the ever-present voice of the Holy Spirit, we continually reexamine our faithfulness to the Gospel so that our faith as individuals and as Church is continually refreshed and responsive to the evolving demands of living a Christian life in today's world.

Bishop Vincent wants to hear from the entire community, persons from all walks of life, and expresses the hope that the Synod will inspire us, 'to listen to the Holy Spirit and to renew **participation, communion and mission** in the life of our local Church.' The Synod's success depends on our participation. Our Deanery Consultation is one such opportunity.

Imagine the potential of these discussions to generate fresh energy and commitment as we respond to the call of the Holy Spirit to be a more synodal Church in this Diocese. Several dioceses are engaged in similar consultative processes, one fruit of the 2021-

2022 Plenary Council and inspired by the forthcoming World Synod of the Church in Rome.

**Synodality**, according to the **Preparatory Document**, will grant Catholics the 'ability to imagine a different future for the Church and her institutions, in keeping with the mission she has received'. In the meantime, please keep in mind the following aspects of 'lived synodality':

a) **The Journeying Companions** - In the Church and in society, we are side by side on the same road - 'journeying together'!

b) **Listening** - Listening is the first step, but it requires having an open mind and heart, without prejudices.

c) **Speaking Out** - All are invited to speak with courage, freely and candidly, that is, integrating freedom, truth, and charity.

d) **Celebrating** - 'Journeying together' is only possible if it is based on communal listening to the Word and the celebration of the Eucharist.

Bishop Vincent's decision to convene the Synod is a vote of confidence in the **maturity** of each of us to draw collectively on our call to follow Christ and the **equality** we enjoy by virtue of our **Baptism**. In addition to the group consultations, you are welcome to organise conversations with others, participate in parish listening consultation, submit proposals, share on social media, and apply to become a member of the Synod.

The Winter 2023 edition of Catholic Outlook contains lots of information about our Synod and resources available - website address is: [parracatholic.org/synod2023](http://parracatholic.org/synod2023).

The Holy Spirit Parish pays respect to the Darug People, the traditional custodians of the land on which we gather to celebrate our faith and worship God. We acknowledge with respect the elders past and present.

We are a welcoming parish. Whatever your present status in the Catholic Church, whatever your current family or marital situation, whatever your past or present religious affiliation, whatever your personal history, age, background, race or color, sexual orientation, whatever your self-esteem... you are invited, welcomed, accepted, loved and respected by the Catholic Community of Holy Spirit.

If you are not an active member of this Community, consider sharing in what we have to offer. We serve the Community through outreach, education, social activities, sacramental preparation, youth and comfort to the sick and mourning. In addition to our spiritual and outreach organisations, perhaps you have an interest in joining one of our many liturgical ministries as: Minister of Holy Communion, Lector, Welcomer, Choir, etc.

Persons are formally registered by filling out a form that is then entered into the parish data system (information supplied remains confidential). These forms are available from the parish office or in the church foyer.

## LIVE THE LITURGY Death Isn't the Worst

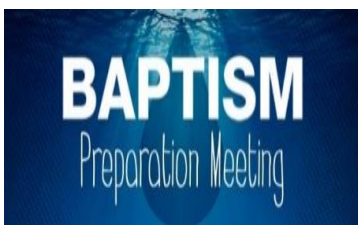

In this Gospel reading, Jesus is speaking to the apostles immediately after giving them a terrifying task to “cure the sick, raise the dead, cleanse the lepers, and cast out demons” (Mt. 10:8) and to take nothing for their journey: no money, food, or extra clothing. Naturally, they were likely concerned about not having enough of the basic necessities for such a mission (Mt 10:9-10). Finally, Jesus told them the kicker: “I am sending you out like sheep into the midst of wolves... beware of them, for they will hand you over to councils and flog you in their synagogues; and you will be dragged before governors and kings because of me... and you will be hated by all because of my name” (Mt. 10:17- 18, 22). Having heard all these instructions and predictions, we can imagine the apostles might not have wanted to go through with their mission after all. Who in their right mind would sign up for such a job?

Just when all the apostles may have been reconsidering their mission, Jesus addressed their fears. He told them boldly that they shouldn't fear anyone. He urged them to speak with confidence and strength. He reminded them that they are worth far more than two song birds who are known, watched over, and cared for by God. He taught them that the life of their soul is more important than their physical life. He put their physical worries and fears into perspective. Death is not the worst that can happen, so they do not need to live in fear. Instead, they can go out to proclaim Jesus' message and live in confidence and trust that God will watch over them, until, through, and beyond their death.

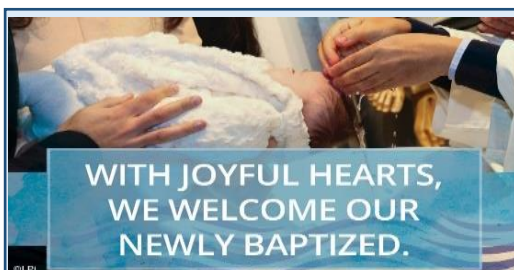

### QUESTIONS OF THE WEEK

**First:** Think about a time in the past when you were fearful of following Jesus' lead because of some real or imagined hardships it would entail. What did you do? What happened?

**Second:** Is there something worrisome or scary you are being invited to do in your life now? Does it help your resolve to hear Jesus' assurances of God's care for you? Why or why not?

Parents wishing to have their child baptized are asked to contact the Parish Office prior to attending a preparation evening. Next Baptism Preparation session is on Tue 11<sup>th</sup> July 7.00pm. Presenter Joyce McMahon.

## WEEKLY JUSTICE CHALLENGES

There is much in our neighborhoods and communities that needs attention: parks and streets, homes and businesses. Our bishops challenge us as Catholics to care for God's creation and to be good stewards of all we have been given. Make a list of things in your community that you are thankful for. Take time to volunteer with something on the list or to thank those who make it possible for you to enjoy the place you call home. Be a good steward to ensure that those who come after you have the same things to enjoy!

### WHY DO WE DO THAT? Catholic Life Explained

#### Question: The Sign of Peace

Why do Catholics light candles in church?

#### Answer:

Candles have been part of the Church's worship from the earliest times. In the days before electricity, candles and oil lamps were the ways that people lighted buildings. Even today, we often still depend on candles during power outages, relying on their flickering flames to bring light into the dark.

Like our ancestors, we also light candles on special occasions. Think about a festive family meal or a romantic dinner for two — there will often be candles on the table, special objects for a special event.

We light candles on birthday cakes and carry them in processions. We also place candles at makeshift memorials that appear when there has been an accident or act of violence. In these moments, their light casts aside a different kind of darkness — the darkness of grief, fear, and death.

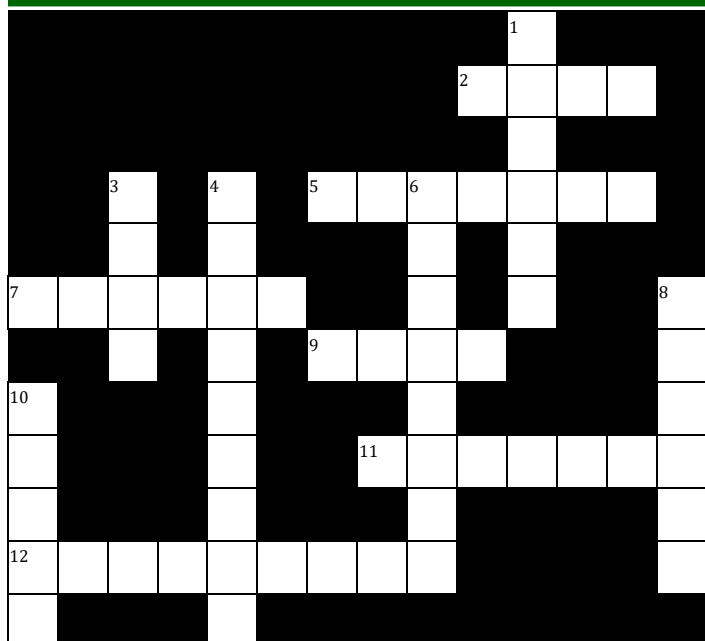

The custom of the early Christians lighting candles and lamps at the tombs of the martyrs gave way to the practice of having candles at Mass, honoring the sacredness of the celebration.

As Christians decorated their worship spaces with statues and icons, they would burn candles in front of sacred images and the relics of the saints, basically “shining a light” on what they held to be sacred.

When pilgrims would visit these shrines, they would often bring candles to light before the image or relic. These candles came to be a symbol of the person, and their prayer and the burning these candles came to be understood as an extension and continuation of the prayer that was offered. What began as a practical way to provide light has come to be a symbol of the hopes, desires, loves, losses, fears, and faith of everyday Christians offering their prayers to God and his saints.
