REPENT, AND BELIEVE IN THE GOSPEL. - MK 1:15

VOICE FROM THE PHEWS – Believing in the Good News

Mark's account of Jesus being tempted in the desert is very short, only two sentences long. However, it is just as clear from this telling of the story as it is in the longer versions that Jesus leaves the desert with a strong message.

Jesus' words, "repent, and believe in the good news," need to be elaborated on if we want to understand what Jesus is asking of us. "Repent" means more than counting up our sins and saying we are sorry. To repent means to take a serious look at not just what we have done, but the person we have become.

In this world, we are often identified by what we do and what we have. We are a success if we have a good job, make a lot of money, have a house full of things. Jesus asks us to see ourselves in a different way. He asks us to see ourselves as God created us—a much-loved child, uniquely gifted, created to love as God loves. God considers us a success if—with Jesus' help—we become the person we were created to be, bringing God's love to the world.

God gave Moses the Ten Commandments; they were part of God's covenant with the chosen people.

In the new covenant Jesus tells us we are God's children. He let's us know that we are expected to do more than just follow God's law. Jesus gives us the Beatitudes, a new attitude to life. As God's children we are not only rooted in the Commandments; we are expected to carry Jesus' light and his loving, forgiving attitude to the world. That is the gospel Jesus proclaimed. This is the Good News.

FAMILY RESPONSE:

Talk about what the world would be like if all Christians lived as God wants them to live.

PERSONAL RESPONSE:

What can you do to create greater peace and harmony in your home? What do you want to remember from last week? What are you looking forward to next week? What are our concerns?

The Holy Spirit Parish pays respect to the Darug People, the traditional custodians of the land on which we gather to celebrate our faith and worship God. We acknowledge with respect the elders past and present.

We are a welcoming parish. Whatever your present status in the Catholic Church, whatever your current family or marital situation, whatever your past or present religious affiliation, whatever your personal history, age, background, race or color, sexual orientation, whatever your self-esteem... you are invited, welcomed, accepted, loved and respected by the Catholic Community of Holy Spirit.

If you are not an active member of this Community, consider sharing in what we have to offer. We serve the Community through outreach, education, social activities, sacramental preparation, youth and comfort to the sick and mourning. In addition to our spiritual and outreach organisations, perhaps you have an interest in joining one of our many liturgical ministries as: Minister of Holy Communion, Lector, Welcomer, Choir, etc.

Persons are formally registered by filling out a form that is then entered into the parish data system (information supplied remains confidential). These forms are available from the parish office or in the church foyer.

LIVE THE LITURGY Inspiration of the Week

Throughout history God has given His people signs. Our season of Lent offers us God's sign that it is time to stop the ordinary routines of our lives, create some desert space and listen more attentively for God to reveal His presence. We are asked to unplug from our attachments, compulsions, obsessions, addictions, routines, and busyness to clear the slate and take stock in who we have become. We are asked to remember the ancient sign of God's covenant with humanity in which He vowed to nurture, sustain, and protect the relationship He has with His people. Once we slow down a bit and clear away some of the clutter, we can see how the journey of our life is unfolding. We can see what brings us in and out of tune with God's love and how we can better imitate God's loving fidelity in our relationship with Him. Even though some good solid self-denial is the order of the day, greater happiness and wholeness will be the fruit of our labors. Pleasant journey through the desert!

QUESTIONS OF THE WEEK:

First Reading:

God promises Noah to use a "bow in the clouds" (a rainbow) as a sign and symbol of His divine pledge to never again allow a world-wide flood to devastate the earth. This is the Bible's first recorded covenant between God and humanity. What do you think of when you see a rainbow?

Second Reading:

Peter teaches that Jesus preached to both the living and the dead — those dead dating back to the days of Noah — and connecting us through baptism. What do you find intriguing about this idea?

Gospel Reading:

We hear about Jesus' temptation in the desert and his inaugural gospel message to those living in Galilee. Jesus saw repentance as necessary to believe his good news. As we begin the Lenten journey, what aspects of your life require repentance?

Parents wishing to have their child baptized are asked to contact the Parish Office prior to attending a preparation evening. Next Baptism Preparation session is on **Tue 12th March 7.00pm**. Presenter will be Seaview Kama.

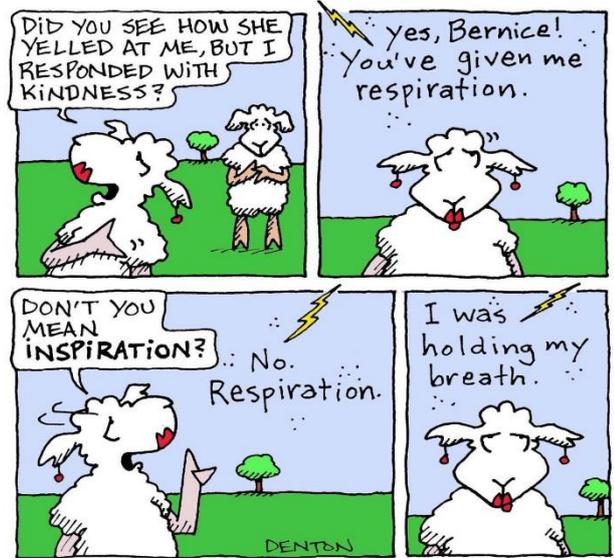

WE ARE NOT HAVING BAPTISMS DURING LENT, THIS IS FROM 14 FEBRUARY TO 30 MARCH

WEEKLY JUSTICE CHALLENGES

This week we enter into the first full week of our Lenten journey—a journey to the Cross and then to Resurrection. We know we can't go straight to Resurrection. As with Jesus, the sacrifice of the Cross is a necessary part of our journey. Your challenge this week, but really for all of Lent, is to think of someone in the world who is experiencing their own cross. It might be the cross of hunger, of human trafficking, of living in a war-torn village or city, or of being denied freedom of expression. Even though you don't know this person's name, imagine how this person looks, how old they might be, and even where they live. Then choose something to give up this Lent, something which may cause a bit of suffering and sacrifice on your part, to stand in solidarity with the brother or sister whose pain is—and should be—our pain. Offer up your sacrifice on their behalf. Every day, as members of our one human family, say a prayer for this person. Use the time or the money you would have spent on whatever you give up to support an organization in your parish or in our universal Catholic Church which works to end injustice for those who suffer. Some possible choices include your local St. Vincent de Paul chapter, the Catholic Campaign for Human Development, Catholic Charities, or Catholic Relief Services.

PARISH NEWS AND EVENTS

**First Sunday of Lent
17 & 18 February**

This year, Project Compassion brings you the stories of three resilient women from three different corners of the world. They are facing vastly different challenges, but are all united by one dream: to create a better tomorrow *for all future generations*.

Meet **Ronita** from the Philippines. Ronita is a mother of two young boys living in a slum in Quezon City. She went back to school to finish her education so that she could earn income to support her children.

Meet **Leaia** from Samoa. Not having access to a reliable source of clean water was very difficult for Leaia and her family. But, with the support of Caritas Australia, a water tank was installed at their home, improving their health and living conditions.

Meet **Memory** from Malawi. Memory, the eldest daughter from a rural Malawian family, trained to become a carpenter and is now a trailblazer for future generations of women in her village.

Throughout Project Compassion, you will get to know the stories of Ronita, Leaia and Memory. Journey with them as they forge a path to a brighter future for all generations.

Please donate to Project Compassion.

You can donate through Project Compassion donation boxes and envelopes available from your parish, by visiting caritas.org.au/project-compassion or by calling 1800 024 413.

AUGUSTINIAN SPIRITUALITY

"I wish to act in truth, making my confession both in my heart before you and in this book before the many who will read it"

Augustine of Hippo

**WHY DO WE DO THAT?
Catholic Life Explained:**

Question:

Does it matter what leg you kneel on when genuflecting?

Answer:

Genuflection is an act of devotion that literally means "to bend the knee." For many Catholics, it's an almost automatic gesture that we perform before entering our pew or row of seats at Mass. But, like many of the symbols and gestures of our faith tradition, genuflecting can also be an invitation for deeper reflection.

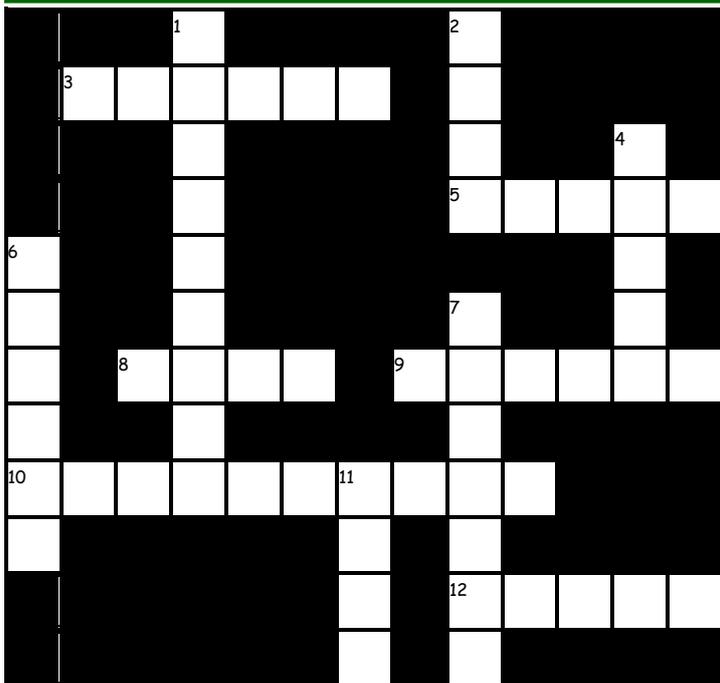

The practice of "bending the knee" is an ancient way of recognizing the presence of someone greater than we are. It has been said that the practice dates back to the time of Alexander the Great, but it became a common part of etiquette in the royal courts of the Middle Ages. From throne rooms and palaces, it was a small step to genuflecting, becoming part of the devotional lives of Christians who used this secular gesture as a way of recognizing the presence of the One who is King of Kings, especially in the Eucharist. In our tradition, although many have been taught or prefer to genuflect by placing their right knee on the ground, there is no prescribed way to genuflect.

This is especially important to keep in mind if physical limitations or age make certain movements difficult for us.

Today, Catholics are asked to genuflect in the presence of the Blessed Sacrament (whether in the tabernacle or exposed on the altar during eucharistic adoration). So, while it has become second nature to genuflect before entering your seat in church, we should pay attention to where the Blessed Sacrament is kept in each church or chapel we visit and genuflect in the direction of the tabernacle where the Blessed Sacrament is kept. In churches or chapels in which the tabernacle is in a separate space, we are invited to simply bow toward the altar.

CREATION CARE TIPS

Catholics traditionally abstain from eating meat on Ash Wednesday and all the Fridays in Lent. This is done as a form of penance (in recognition for all that we have done wrong) and asceticism (giving something up so we can grow in holiness). Beyond these reasons, a plant-based diet drastically reduces our impact on our common home and brings us into closer solidarity with those around the world who do not have the option to eat meat as frequently as we do.
